

HOW TO SEARCH CONSUMER REPORTS:

Consumer Reports can be found on the State Library of Kansas database resources. Follow these steps to find the information you're looking for:

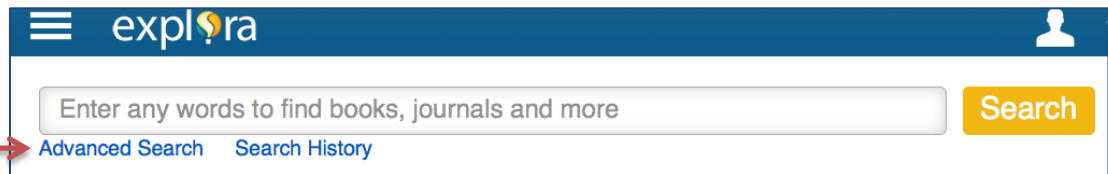

From our website, click Our Services > State Library Databases. This will take you to the State Library of Kansas database page.

**If you use the State Library Databases from home, you may have to have a Kansas Library eCard. Just call the library (724-2828), or stop by, and we can sign you up.

Under General Research, click Explora Multi-Search.

Click Advanced Search.

Type Consumer Reports and select "SO Publication Name"

You can add the name of a particular product in the second search box if you want. Click Search.
