

“Twain for Twainiacs” by Ken Church

Saturday, January 25 @ 10:00 am

Mark Twain was the most famous and beloved American during his lifetime. His books are published in dozens of languages, and he is quoted (and misquoted) more than any other American author. Twain was included in Smithsonian magazine’s 100 Most Significant Americans. His fans are known as “Twainiacs.”

Ken Church has impersonated Mark Twain for more than 46 years. He will present “Twain for Twainiacs,” which is a nod to those who have a great interest in Twain and a deep love for his writing. The program is suitable for all ages and interest levels. **Registration is encouraged.**

Thursday Evening Book Club

Thursday, January 30 @ 6:30 pm

The Great Gatsby by F. Scott Fitzgerald

Welcome to the Roaring Twenties! We'll ring in 2020 with a classic of the 1920's. Based in the fictional towns of West Egg and East Egg on prosperous Long Island in the summer of 1922, this is the story of the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession with the beautiful former debutante Daisy Buchanan. Considered to be Fitzgerald's magnum opus, *The Great Gatsby* explores themes of decadence, idealism, resistance to change, social upheaval and excess, creating a portrait of the Roaring Twenties that has been described as a cautionary tale regarding the American Dream. Today, *The Great Gatsby* is widely considered to be a literary classic and a contender for the title of the "Great American Novel." Copies of the book are available at the library. Please join us.

Book T.A.L.K. (Talk About Literature in Kansas)

Friday, February 7, 10:00 a.m.

Our spring series in the Humanities Kansas Book TALK series will be The Civil War. After commemorating the Civil War's sesquicentennial from 2011-2015, the reasons to continue exploring its impact are clear. No political dispute has come closer to destroying the United States and its legacy today remains unresolved. Contemporary disputes over the display of Confederate flags and monuments, the ongoing debate of "state's rights," and the continued struggle of

African-Americans to claim a full share of political rights and economic power in America reflect the continuing legacy of the Civil War on contemporary America. We'll read three books in this series. The first is *The Red Badge of Courage* and our first discussion will be Friday, February 7. Copies of the book are now available at the library. Please join us for a fascinating discussion.

20's & 30's

Books n' Beverages Book Club Thursday, January 9 @ 7:00 pm @ Stix at the Legends

In the not-too-distant future, a simple outpatient procedure to increase empathy between romantic partners has become all the rage. And Briddey Flannigan is delighted when her boyfriend, Trent, suggests undergoing the operation prior to a marriage proposal—to enjoy better emotional connection and a perfect relationship with complete communication and understanding. But things don't *quite* work out as planned, and Briddey finds herself connected to someone else entirely—in a way far beyond what she signed up for.

It is almost more than she can handle—especially when the stress of managing her all-too-eager-to-communicate-at-all-times family is already burdening her brain. But that's only the beginning. As things go from bad to worse, she begins to see the dark side of too much information, and to realize that love—and communication—are far more complicated than she ever imagined.

Join us for our Books n' Beverages book discussion of "Crosstalk" by Connie Willis. We'll meet at 7:00 pm at Stix @ Legends. Order drinks, have dinner, or just snack on some appetizers.

The book is available at the front desk at the library. Since we meet at a restaurant just let us know if you'd like to attend (even if you haven't read the book). Contact Amy @ the Library if you have any questions.
