Here is our plan for Phase One (Beginning May 4th):

- The library building will remain closed to the public at this time.
- Staff will start returning to the library.
- We will check in items that have been sufficiently quarantined.
- Wednesday, May 6, we will start processing items “on hold.” You may start placing holds through the NEXT catalog at that time and we will schedule a time with you for pick-up.
- Remember, books are not due until May 18 and they can be renewed. So, there is no hurry to get them back to us. We will let you know when it is safe for us to accept their return.
- If you need to use a computer, please give us a call and leave a message with a number where we can reach you. We will schedule a time for you as soon as we can, while following all safety guidelines from health officials.

Watch for more information through email, on our website, or give us a call.

We’ll see you soon!
